Our Vision & Mission

A Ministry of Global Connections

Why we do what we do...

As a network our heart & vision is to play our part in seeing

The Whole CHURCH
Taking the Whole GOSPEL
To the Whole WORLD

Hand in hand with the global Church.

- As referenced in the Lausanne 2010 Cape Town
Commitment

What we mean by the...

Whole Church – God’s global Church is one body, formed of many parts, and His desire is that every believer can play a role in His redemptive work in the world. He invites people from all ethnicities, cultures, languages and generations to be involved in His mission. Through mutual cooperation and partnership with other parts of the body of Christ, we work to see His kingdom grow.

Whole Gospel – God’s imperative to the Church is to declare and display His good news in both word and deed. Authentic gospel witness is expressed both in preaching the word of God, declaring the power of Jesus’ death and resurrection, and by gospel-inspired social engagement with the communities God has placed us in.

Whole World – God’s mission is from everywhere to everywhere. The peoples of the world are on the move, and every nation is a mission field. He has called his Church to share his love locally and globally and to all cultures and peoples.

Global Connections & MAP Mission

What we do...

Being faithful to God's calling for His Church to work together as one body, we believe we are better together by:

CONNECTING – bringing people together to strengthen relationships.

CATALYSING – following God's lead, learning from each other and encouraging innovation.

COLLABORATING – working together to have a greater collective impact.

God is on the move. His Kingdom is growing all around the world, across different nations, people groups and cultures.

He is building His Church, and nothing can stand against it. While this truth stands truer than ever, the Church in the UK and globally faces a myriad of challenges.

It's vital that we continue to come together and respond to the call of God to share His love in word and deed with all peoples, nations and cultures. God loves unity, and it is through mutual cooperation and partnership that the people of God in the UK and beyond can work together to see God's Kingdom advance.

As a community, we believe that collectively we are better together.
