WORLD PRAYER NEWS

A guide to help you pray for people around the world | May - Jun 2026

1. UK - Serving in Mission

Pray that the clear move of God's Spirit among young people in the UK will translate into many committing to serve as mission workers where Christ is least known.

2. France - France Mission

The FEF Network in France, which brings together about 500 churches from 11 evangelical denominations across the country, is holding its first ever joint congress from 1st-3rd May at a large conference centre in central France. Please pray that this event will be a great encouragement to all those attending and that the Lord will use it to stimulate even greater collaboration (both nationally and locally) between churches that share a similar philosophy of ministry.

3. Macedonia - Eurasia Education Foundation

The team in Macedonia are distributing the new book called Stepping Stones in Macedonian amongst Gypsies Muslims in Germany.

4. UK - SASRA

Praise God for our new and long-term supporters, volunteers, prayer warriors, supporting churches and trusts for sustaining us. Pray that the Lord will open doors to develop more relationships with Partner Churches. Pray that church visits by our Regional Managers and Scripture Readers will be an encouragement to all who attend, and that churches will engage and feel moved to support SASRA as our Scripture Readers bring the gospel 'behind the wire' of Army and RAF bases.

5. Serving in Mission

Praise God for the launch of a new semester at Quest Academy with 50 Iranian students from across Europe - a clear sign that God is opening doors among the Iranian diaspora and raising a new generation of committed disciples and leaders.

6. Spain - Pioneers UK

A small team is seeking out and sharing with Arab peoples in a major suburb of Madrid. Typically, Muslim immigrants, of whom there are almost 2.5 million in Spain, have little or no contact with the local culture. The small evangelical church in Spain has neither the resources nor the experience to reach them. Pray for the team in their outreach ministry and for the Team Leader who holds regular workshops with Arab women.

7. UK - Eurasia Education Foundation

Migrants have arrived at the Crowborough camp, and our church is able to run services for the Christians among them. The local mosque has already conducted services and left a book table for the residents. Today our church will hold a service, and books from Elam and others will be set out. Please pray for this new mission field.

8. Benin - Reach Beyond

Reach Beyond is celebrating the completion of 30+ clean water wells in Benin, and this July we're sending a 3-week Summer Impact Team to West Africa to see firsthand how clean water is transforming communities and supporting church planting. We're looking for people with a range of gifts - storytellers, photographers, engineers, educators, public health or development practitioners, and anyone who senses God may be inviting them to serve. Technical, creative, and relational skills are all welcome. Please pray for the right people to join the team. Would you be willing to share this with your church and encourage anyone who might be a good fit to explore joining us? Here's a link with more info:

https://reachbeyond.org.uk/go/benin_water_team_2026

9. Burkina Faso - Wycliffe Bible Translators

Pray for the Kassem people of Burkina Faso as they prepare for the arrival of the very first complete Bible in their own language. As the books are printed and shipped, please ask for God's protection over the transport routes and for a safe delivery to the community. We pray that as families finally hold the full counsel of Scripture, it would bring deep spiritual transformation, providing a firm foundation for the local Church and reaching those who have yet to hear the Gospel in a way they truly understand.

10. Mauritania - Al Massira

Please pray for beloved followers of Jesus, new to faith in Christ, who have completed, or who are on the Al Massira Journey/going through the film studies and materials, seeking to draw nearer to Father, Son and Holy Spirit. To know Him, to delight in Him and help equip them further in the Great Commission to reach others in their own communities - and beyond. Pray for family amongst the Black Moors (Mauritania), and for our Brother, who is now undertaking a theological course 'preparing to serve the Lord with much more effectiveness among my ethnic group.' Glory to God!

11. Madagascar - Reach Beyond

Pray for Radio Feon Janahary in Madagascar, that God would continue using its broadcasts to break fear, confront spiritual darkness, and draw many among the Betsimisaraka people to freedom in Christ. Ask the Lord to strengthen the radio team and provide all that's needed so the hope of Jesus keeps flowing into villages where fear once ruled.

12 Zimbabwe - Global Care

Pray for the Lord's protection to surround our engineer Alfred during his trip to South Sudan to provide much-needed technical training to our radio partner and their network of radio stations there. It is not uncommon for civil unrest to erupt due to the ongoing conflict in the country. Ask God to multiply and expand the ministry of these stations so that many more people would follow Jesus.

13. North Africa - Pioneers UK

Praise God for his work of salvation! In 2025 more than 30 North Africans believed in and around the region where a team is based. Most have been baptised and are in regular fellowship. This is more new believers in one year than in the previous ten years combined! Pray for these new believers - that they would grow in faith, withstand inevitable persecution, form into new churches and share their faith courageously. Pray for the three key North African partners as they disciple these new believers and develop leaders.

14. South Sudan - Reach Beyond

Pray for the Lord's protection to surround our engineer Alfred during his trip to South Sudan to provide much-needed technical training to our radio partner and their network of radio stations there. It is not uncommon for civil unrest to erupt due to the ongoing conflict in the country. Ask God to multiply and expand the ministry of these stations so that many more people would follow Jesus

15. Wycliffe Bible Translators

Give thanks for the increasing momentum in Sign Language Bible translation projects worldwide. For millions of Deaf people, a printed Bible in a national language can feel like a foreign tongue; they need to see God's Word in their own visual language. Please pray for the teams filming and editing these vital Scripture portions. We ask that as these videos are shared, Deaf communities would experience a profound sense of God's love and recognize that He speaks their language and values their identity.

16. Church Mission Society

Please lift up CMS's safeguarding team, who carry much responsibility for the safety and welfare of people connected with CMS, particularly children and vulnerable adults. Pray for God's leading and wisdom for the team as they provide guidance and training for all CMS staff and people in mission.

17. Ecuador - Reach Beyond

Give thanks for the completion of this year's first term of hippotherapy in Ecuador - already children with disabilities are walking and speaking for the first time. Praise God for local university physiotherapy and occupational therapy students who have come to see the work firsthand. Pray for a strong, lasting partnership with the university to raise up student volunteers, and that families touched by this blessing will come to know Jesus through the transformation they see in their children.

18. Haiti - WorldShare

Give thanks for Starlink, which is helping PiFò Haiti stay in touch with staff and respond quickly when needs arise. Pray that this reliable connection will encourage the team and strengthen their work. Thank God for the papaya trees and other garden progress that is helping generate income and improve nutrition where food insecurity is high, and for the way children are engaging joyfully in learning to plant and care for the soil. Please pray for clarity and discernment as the team seeks God's direction among many needs and requests, and for wisdom as PiFò Haiti looks to strengthen leadership in both Haiti and Canada for a secure future. Ask too for God's protection over all staff and volunteers, with health and safety as access to medical care and nutritious food becomes more difficult.

19. Peru - Church Mission Society

CMS partner Anna Sims works alongside the local church to build community and share Jesus in creative ways in urban Lima, Peru. She asks for prayer for the team running iCafe - a church and cultural initiative which stands for imagination, culture, art and faith - as they focus on deepening relationships and sharing Jesus with artists and others working in creative industries in Lima.

20. Canada - IFES

Pray for upcoming InterVarsity Canada summer camps - for fun, safety, personal growth, and encounters with Jesus. Pray that students serving as cabin leaders will model Christ among the youngsters.

21. Israel - Langham Partnership

Give thanks for the recent release of 'Unlocking the Old Testament' by Langham Graduate Dr Yohanna Katanacho, who is an Old Testament Professor and Academic Dean at Nazareth Evangelical College. Please pray that this book will particularly help Arab Christians to see Christ in the Old Testament, during these troubled times.

22. Serving in Mission

Please pray that believers in the Middle East, both local and international, can bring good news of peace in very troubled times. Pray people will find refuge in the Lord.

23. Lebanon - Langham Partnership

Pray for Langham Graduate Hikmat Kashouh, who pastors a church in Beirut, Lebanon. They shelter hundreds of displaced people through their humanitarian outreach programmes. The church has shared: "Even in the middle of fear, God is still drawing people close and caring for them through His family."

24. Iran - Serving in Mission

Pray for Radio Feon Janahary in Madagascar, that God would continue using its broadcasts to break fear, confront spiritual darkness, and draw many among the Betsimisaraka people to freedom in Christ. Ask the Lord to strengthen the radio team and provide all that's needed so the hope of Jesus keeps flowing into villages where fear once ruled.

25. South Asia - Langham Partnership

Please pray for the upcoming release of the 'South Asia Study Bible', a one-volume resource written by South Asian Christians for the Church in South Asia (and beyond!). Pray there won't be any delays and for the last stages of this long-awaited project to go smoothly.

26. Myanmar - WorldShare

Give thanks for God's faithful protection and provision for the children and staff, and for all the children who have completed their final examinations at Word of Hope Orphanage. Pray that they enjoy a meaningful and refreshing summer holiday. Give thanks too that work has begun on the new girls' dormitory, and pray for safe, steady progress and good workmanship until the three storeys are complete. Please also ask God to provide for a new bicycle to support daily needs and ministry tasks.

27. Mongolia - Sharing Christ Internationally

A Mongolian couple professed faith in Christ in 1991. That was before evangelical missionaries pushed for the use of Buddhist terms for terms for God, heaven, hell, prayer, etc. The couple saw it as syncretism. They organised meetings on the Bible for Mongolians who mix the Bible with Buddhist terms but were deeply disheartened to see people showed no interest in the Lord of the Universe (God) or in Jesus Christ and would use any means to further their own interests. The couple gave up, finding no one who would carry on their work. They now use social media to evangelise Mongolians.

28. India - Al Massira

Please pray for India, following the encouraging report from key Christian workers on the ground in the north. The Al Massira discipleship curriculum has played a transformative role in strengthening the BMB movement. Its culturally sensitive approach, visual storytelling, and step-by-step journey through the Biblical narrative have made it particularly effective among Ms background seekers and new believers. Al Massira is being used in more than 50 different groups across various regions and around 30 groups are meeting regularly. These groups include a mix of seekers, new believers, and emerging leaders - creating a healthy environment for growth and engagement.

29. Singapore - Langham Partnership

Singapore: This is the second year of the collaboration with Discipleship Training Center (DTC). Students come here from across Asia for training as leaders before returning home again. A Level One seminar runs through the week, with 25-35 participants expected. Among them are 9 students from DTC, as well as people from Scripture Union and local Anglican, Baptist and Methodist churches. Please pray for the facilitators, Johnny McClean and Iljo de Keijzer, and that the church in Singapore - "where strong Bible teaching mixes with the prosperity gospel, bad preaching and a cult of personality preachers" - will be impacted as well.

30. Papua New Guinea - Wycliffe Bible Translators

Please pray for the numerous language communities across Papua New Guinea that are currently engaged in translating the New Testament. In many remote areas, translation teams face significant practical challenges, including difficult travel and limited communication. We pray for the spiritual and physical resilience of the local translators and for the families supporting them. May the work continue with accuracy and joy, and may the completed Scriptures bring the light of the Gospel to every household in these diverse regions.

31. Guam - IFES

Praise God for the flourishing work in Guam: "growing in student numbers, student involvement, and student initiative".
