

# POKHARA STUDY CENTRE

*PSC - The education programme of the International Nepal Fellowship*

**Location: Pokhara, Nepal**

**Finance: Personal support, Voluntary (Unpaid)**

**Duration: Full-time, 1-3 years**

**Activity: Teaching [Principal]**

Dear Primary School Leaders and Teachers,

Are you passionate about Christian education, visionary leadership and cross-cultural community, and ready for an adventure that combines purpose and impact? The Pokhara Study Centre (PSC) in beautiful Pokhara is seeking a committed and experienced Principal to lead our thriving community into its next chapter of development. Serving the wider vision of the International Nepal Fellowship (INF), PSC supports the learning and wellbeing of over 40 young people from diverse cultural backgrounds, enabling expatriate families to remain in Nepal while contributing their technical skills to the work of INF and the community.

Having thrived under the leadership of its current Principal, PSC is now seeking a leader who will continue to nurture its strong culture of learning, faith and community. The successful applicant will lead a small, dedicated team, foster strong relationships within the community and champion a holistic, child-centred approach to education grounded in Christian faith and service.

### About the Role:

At PSC, we are dedicated to nurturing and inspiring students aged **3 to 18 years**. Our primary study centre currently consists of one pre-school class, two multi-age classes for students aged 5 to 11, and a class that facilitates older students engaging in distance education. The Principal oversees the Nepali and expatriate staff in the day-to-day running of PSC and provides strategic leadership for its ongoing development. The role involves guiding curriculum implementation, supporting staff and student wellbeing, leading professional development, overseeing operations and contributing to the long-term vision and direction of PSC.

### Why Join Us?

Leading and teaching at PSC offers more than just a job—it's an opportunity to make a lasting impact in a unique and meaningful context. The PSC Principal has the opportunity to:

- Lead PSC in providing an excellent, holistic education that makes a lasting impact on students living away from their passport countries.
- Support families serving in Nepal, as they seek to positively impact the lives of Nepali people.
- Mentor and develop both Nepali and expatriate staff, equipping them with the knowledge, skills and understanding to build successful and flourishing careers in education.
- Play a key role in leading the continued growth and development of a study centre with a 50-year legacy, building on its strong foundations as it moves confidently into its next chapter.

If you are ready to join our mission of transforming lives through education and service, we'd love to hear from you!

### To Apply:

Please send your resume and a cover letter detailing your teaching experience and interest in this role to [recruitment@inf.org](mailto:recruitment@inf.org).

Note: INF's UK office no longer sends personnel to Nepal for long-term or short-term mission, however, we can connect you to one of our experienced sending agency partners. Come and be part of a community where you will grow professionally, live adventurously, and make a difference every single day. We look forward to welcoming you to our team!

Warm regards,

**Sebastian McGrath**
