

Life In Abundance UK (LIA-UK)

Partner and Donor Engagement Lead

Job Description

Reports to: LIA-UK Executive Director

Commitment: Part-time 24 hours pw - £24k per annum pro-rata

Location: Home Based

Role Purpose

The Partner and Donor Engagement Lead supports the Executive Director in cultivating long-term, trusted relationships and funding opportunities with trusts & foundations and individual supporters and donors.

LIA-UK functions as a Ministry Support Office of LIA International, responsible for mobilising prayer, partnerships, and financial resources to advance sustainable, church-led transformation across Africa and the Caribbean.

This part-time role requires relational acumen, strategic insight, excellent communication skills and an ability to multi-task across various partner and donor engagement activities.

Key Responsibilities

- Research into trusts and foundations creating a 'pipeline' for potential applications and funding opportunities
- Work in conjunction with the LIA-International Grants Manager in compiling and submitting grant applications
- Manage supporter and donor data via CRM system to inform engagement, reporting, and stewardship
- Work with LIA International Communications Team to align initiatives with storytelling and campaigns via social media, mailings and newsletters

- Provide personalised engagement, ensuring supporters and partners are informed, appreciated, understand impact of their contributions and inspired by LIA-UK's work
 - Monitor engagement and report on opportunities for deepening partnerships
 - Travel: Potential UK travel for donor and partner visits, events, and stewardship activities
-

Person Specification

- Proven experience in donor relations, stewardship, and fundraising (trusts & foundations or individual giving)
- Exceptional interpersonal and communication skills, with tact and discretion
- Strategic thinker with strong organisational abilities
- Values-driven approach aligned with LIA-UK's mission
- Able to perform tasks unsupervised
- Knowledge of UK charity fundraising regulations is desirable
- Competent IT skills – Word, Excel and PowerPoint
